Rakesh Kumar Behera

Strategy, Marketing & IT Consulting | MBA'27 IIM | Lean Six Sigma Green Belt | Ex-Software Engineer at TCS | IGIT'21
Bhubaneswar, Odisha, India

Summary

Pursuing MBA at IIM Sambalpur with a background in Engineering and strong leadership experience across student governance and cultural organizations. Passionate about business strategy, operations management, and data-driven decision-making, I am developing cross-functional expertise in finance, marketing, and organizational leadership to drive measurable business impact.

During my undergraduate studies at Indira Gandhi Institute of Technology, Sarang, I held multiple leadership roles including Photography Club Head, Society Secretary, Cultural Fest Secretary, and Photography Head for the techno-cultural fest (Horizon).

Key Achievements:

- Led a 25+ member team to successfully execute college-level events with 1,000+ participants.
- Managed end-to-end planning for cultural and technical fests, improving event turnout by ~30%.
- Coordinated with 10+ sponsors and vendors, ensuring on-time delivery and budget adherence.
- Reduced operational bottlenecks through structured planning, improving execution efficiency by 25%.
- Mentored junior members, resulting in higher team engagement and retention.
- Spearheaded promotional campaigns, increasing social media reach by 40%.

I bring a strong analytical mindset and a structured problem-solving approach, with hands-on experience in project management, stakeholder engagement, and cross-functional coordination. I thrive in fast-paced environments and consistently deliver outcomes aligned with strategic goals.

Key Skills:

- Business Strategy
- Operations Management
- Financial Analysis
- Marketing Strategy
- Project Management
- Data Analysis
- Data Driven Decision
- Stakeholder Management
- Process Improvement
- Consulting
- Market Research
- Supply Chain Fundamentals
- Performance Management
- Leadership Development
- Strategic Planning

I am actively seeking opportunities in consulting, operations, strategy, marketing, and business analytics, where I can leverage my technical foundation and management education to create sustainable business value.
